

26 APR 1971

MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Office of Personnel Report - Week Ending 23 April 1971

- 25X9
- 25X9
1. Voluntary Investment Program: As of the close of business Friday, 23 April, we have received 492 applications to enroll in the program. Approximately [REDACTED] requests for information concerning this program have been received and kits distributed by our Retirement Affairs Division. This [REDACTED] figure represents requests by employees in the United States--it is too early for responses to last week's overseas book dispatch.
 2. Consultant Renewal Exercise: The first phase of the annual consultant renewal exercise has been completed. We forwarded forms 503 (Justification for Consultant) to the using components during the week of 15 March 1971. All the forms have now been completed and returned to us. The second phase is the preparation of the annual "book" for approval by the Director. Our target date for this phase is 15 May 1971.
 3. Position Classification: Discussions were held with administrative officials of the Office of Communications in an effort to identify those positions that should be deleted in order to reach the FY 72 ceiling authorization.

4. Cooperative Education and Summer Intern Programs:

[REDACTED] will visit Hampton Institute on 4 May to interview a group of black students who may be possible photo interpreter candidates for assignment to NPIC this summer.

5. Honoring a Blood Donor: The Director of Personnel participated in an awards ceremony in NPIC on 23 April at which time Mr. Lundahl presented to

25X1A

[REDACTED] an American Red Cross certificate recognizing his donation of 10 gallons of blood.

25X1A

6. New Chief of Central Processing Branch: [REDACTED] is the

25X1A

new Chief, Central Processing Branch, replacing [REDACTED] who has retired.

7. Reserve Meeting Speaker: Major General George Sammet, Jr., Deputy Chief of Research and Development, Department of the Army, and Mr. L. V. Haiswold, Chief, Special Programs and Support Branch, R & D, will address the Agency Military Reserve Unit tonight, 26 April 1971, on the subject "Review of Current Research and Development Activities in the US Army."
